Premium will be forfeited if animals are removed from stall or pen space prior to release date and time. (See respective departments.)

RULES AND REGULATIONS

Except in the case of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. **Illegal drugs, and/or unethical conduct in fitting and showing livestock will not be tolerated at the North Carolina Mountain State Fair.** All others will be at judges discretion.

Any animals being removed before their release time will forfeit all premiums.

Exhibitors bringing animals that have been micro chipped must bring a reader plus their papers.

Exhibitors must wear proper attire while in the show ring: long pants, shirt with collar, shoes with closed toe.

No animals will be allowed on the fair grounds until their check-in time.

Youth age, 19, is as of show date unless specified by department.

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even if this occurs before specified time for closing entries.

Official printed forms must be used in making application for entry. Duplicate entry forms as necessary. Be sure to fill in the application form completely, accurately, and legibly. Give your rural route number, post office number, or city street address, zip code, Social Security Number, and telephone number, including area code.

List the class number, as indicated in the premium list, for which each entry is made. Use a separate line for each animal. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. It is not necessary to name the animals that will make up your group or herd until after judging of individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must show official evidence of ownership of animal at least 30 days prior to showing. Animals shown as commercial are exempt from registration requirements. (See exceptions to this rule for group classes only in some departments.)

Each breed of livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 2008 N.C. Mountain State Fair Premium List.

SHOWMANSHIP AWARD

A showmanship award will be given to each youth that is officially entered in a Mountain State Fair Youth Livestock Show that has developed proper showmanship skills with their livestock projects. These skills will be evaluated separately from the quality of the animal shown. The show person judge will select the youth solely on their showmanship ability. The recipients of the Super Show person Award will be recognized at the conclusion of each class. A one time per show monetary award of \$10.00 will be awarded to each exhibitor selected except for the Dairy Cattle. (See Dairy Cattle Dept. R)

FEES

Entry fees are required for all entries in the senior and open classes of the livestock division. *Entries exclusively in the youth livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, and remittances for same must accompany the entry application form. Reservations will not be made unless accompanied by the required fee. Remember: The right is reserved to reject entries after all available space is taken. Entries will be accepted in the order received.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

OPEN DAIRY GOAT SHOW

RULES AND REGULATIONS FOR THE OPEN DAIRY GOAT SHOW

1. Competition is open to the world for animals registered or recorded in the American Dairy Goat Association, American Goat Society, or the Canadian Goat Society. Both shows are sanctioned separately by the American Dairy Goat Association for the following breeds: Alpines, LaManchas, Nubians, Oberhaslis, Saanens, Nigerian Dwarf, Toggenburgs and Recorded Grades. All rules that are governed by ADGA shall be followed and enforced.
2. Ages of the animals in the show will be computed from September 6, 2008.
3. All entries must comply with both ADGA and Mountain State Fair rules. Be thoroughly familiar with both.
4. Be sure to use the official entry form and include the goat's tattoo and registration number. List the class number in which the animal will be shown and indicate any group classes an animal is to enter. In order to be shown in a group class, the doe must have competed in her individual class and the group may not be shown unless all animals are pre-entered in a group class.
5. Substitutions of animals will be allowed.
6. A registration paper or a stamped duplicate (for animals under six months of age) is required for each animal. Proof of ownership shall be the name on the registration or recordation certificate. No signed transfers will be accepted.
7. Each exhibitor will be limited to one premium payment in each of the group classes.
8. The Health Regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. Be sure to read these under "Rules and Regulations of the Livestock Division" before entering. Animals cannot be unloaded until checked in. All sheep and goats must comply with USDA Scrapie Eradication Program Guidelines. (State request form can be found behind Livestock Entry Form.)
9. Entry in the Champion Challenge class is open to permanent champions only. Qualification must be by registration/recordation or certification by the American Dairy Goat Association. Champion Challenge competitors shall NOT be foreclosed from group and progeny classes. Shifts from regular classes to Champion Challenge may be made (with proof of qualification) any time before the beginning of judging of breed.
10. A separate entry form must be used for Junior Doe Show and Senior Doe Show (Junior Show is defined as age of the goat, not the exhibitor).
11. If entering more than one breed, please group all animals together by breeds.
12. Show order will be as follows: Saanens, Nigerian Dwarf, Toggenburgs, Alpine, LaManchas, Nubians, Oberhasli, Recorded Grade
13. Animals must be legibly tattooed prior to show date. Animals which have been re-tattooed must have the changes indicated on the ADGA registration paper.
14. ADGA dress code is required. Exhibitors are to wear white or off-white, if possible, while exhibiting goats. (NO SHORTS)
15. There will be no dogs permitted on show premises.
16. There will be no pre-show milk out.
17. Showmanship classes will be for 18 years and younger. (Persons 19 years and older on the day of the show are not eligible for showmanship classes.)

18. Saanens Breed will be a Specialty Show, ribbons furnished by Piedmont Dairy Goat Association.

19. Entries made in wrong classes may be reclassified by the superintendent, but only if such reclassification is made in the office of, and with the approval of the entry department. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed premiums will be withheld.

21. Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.
22. Judges will not award premiums or ribbons to any animal that does not qualify for one of the classes in the NC Mountain State Fair premium list. There will be no additional prize money for given places, in the event of a tie. There shall not be more than one ribbon awarded and a premium paid for each placement in a class.
23. Premiums will be paid to winning exhibitors after the award reports are compiled and checked. Premiums will be mailed to the exhibitor at the address on his or her entry form. Errors in premium statements will be corrected until December 1, after which time the books of the fair are closed.

XG • OPEN HERITAGE TURKEY SHOW

September 8 – 14

Entry Fee: \$3.00 per turkey

Deadline: August 13, 2008

Check-in: September 8, Monday 4:00pm – 8:00pm

Release: September 14, Sunday 8:00pm – 10:00pm

GENERAL RULES AND REGULATIONS

1. Competition is open to all North Carolina residents.
2. See front of poultry section for all rules and regulations.

Heritage Turkeys are defined by the historic, range-based reproduction system in which they are raised. Turkeys must meet all of the following criteria to qualify as a Heritage Turkey:

1. Naturally mating: the heritage turkey must be reproduced and genetically maintained through natural mating, with expected fertility rates of 70 – 80%.
2. Long productive life span: the heritage turkey must have a long productive life span. Breeding hens are commonly productive for 5 – 7 years and breeding toms for 3 – 5 years.
3. Slow growth rate: the heritage turkey must have a slow to moderate rate of growth. Today's heritage turkeys reach a marketable weight in 26 – 28 weeks, giving the birds time to develop a strong skeletal structure and healthy organs prior to building muscle mass. This growth rate is identical to that of the commercial varieties of the first half of the 20th century. (<http://www.albc-usa.org/>)

Internal Revenue Service regulations state that any prize money \$600 or over given in a calendar year to an entity must be reported to the IRS on a 1099 Information Return. Accordingly, we must have the Social Security Number (SSN) or Taxpayer Identification Number (TIN) which corresponds to the name to whom the check is to be written for prize money. A separate form should be used for each SSN and/or TIN. The SSN or TIN must be provided in order to be eligible for prize money.

I understand that any prize money won will be made payable to the name indicated and may be subject to being reported to the IRS on a 1099. IT IS SPECIFICALLY AGREED THAT I WILL NOT REMOVE ANY OF MY ENTRIES FROM THE STALL OR PEN SPACES ASSIGNED ME BEFORE THE OFFICIAL RELEASE TIME. I agree to have my entry tested for illegal drugs at the expense of the N.C. Mountain State Fair.
